

CV - Tuula Seppälä, Finland

I got my first Boxer in 1980 when I was just teenager and ever since this breed has been the love of my life. Over the years I have had other breeds too: Cairn Terriers, Fox Terriers, Boston Terriers, Pugs and Petit Brabancon but there always has to be a Boxer.

I was very lucky with my first Boxer; she became champion and she also produced two champions in my first litter in 1984. My prefix is Chamentine`s and I have bred 11 litters of Boxers and one litter of Boston Terriers. I have also imported Boxers from the Netherlands, Belgium, England and Belarus. At the moment I have got one Boxer at home

and life without her would be very empty.

I have been an active member of Finnish Boxer Club for almost 40 years and I have been representative of the Boxer Club at the Finnish Kennel Club breed council for 12 years. Nowadays I am a member of Finnish Boxer Club`s Breeding Committee and teach & guide new judges for our breed.

I was approved to judge Boxers in 1999 and I am now licensed to judge several breeds from the FCI groups 2 & 9. My first judging appointment abroad was in Sweden 2000 at the Boxer speciality. Later on I have had pleasure of judging Boxers in Australia, England, Estonia, Germany, Ireland, Italy, Norway, Russia, the USA and New-Zealand. It is very interesting and educational to see Boxers in different countries.

In 2018 I had the huge joy and honor to judge at the Atibox World Show in Sweden and last year at the Atibox Boxer Major Show in Germany.

I want thank Norwegian Boxer Club and the local show committee for the invitation to judge the speciality show in Kristiansand. I`m looking forward to the show and I wish we all have a nice day!
