

REPORT – observations of areas of risk in the BSI-listed breeds

This form can also be used to report observed areas of risk in any breed. Please complete the report in connection with the judging and forward it to the ring steward.

ORGANIZING CLUB: Norsk Kennel Klub

You have been invited to judge this breed listed in the BSI: German Boxer

at the dog show in: Drammen

date: 06.-07.06.-2015

This breed is listed in the BSI for breeds under observation with regard to exaggerations and a risk towards unsoundness and poor overall health.

Did you receive written information about the BSI before the show? YES NO

You are requested to study the whole BSI document with special attention to the specific text regarding the breed(s) you will judge and the introduction text for the pertinent FCI group.

Instruction for application is described in the first pages of the document.

We would like you to answer the questions below to make it possible to evaluate the accuracy of the breeds listed and the areas of risk pointed out.

The number of dogs of the breed in question which you judged were: 37

Mark with a cross if no dogs were shown

Did you notice any of the issues and topics mentioned for the breed? YES NO

If YES, which of the areas of risk/issues did you observe and in how many dogs?

Did you notice dogs showing excellent quality in the areas of risk? YES NO

Please indicate and make comments below!

Do you find it adequate that this breed is listed in the BSI? **YES.**

You are asked to consider this question from a perspective of your total experience in this breed and not only from the present show.

Please indicate and make comments below!

- Yes, it's adequate that this breed is listed
- No, it's not adequate that this breed is listed
- I have at present no opinion (please comment why)

Do you have any other comments or suggestions about other breeds you feel ought to be considered for listing in the BSI?
